**Dr. PEDRO MELCHOR M. NATIVIDAD**  
 OIC - Schools Division Superintendent  
 Department of Education Zamboanga Del Norte Division  
 Dipolog City

Dear Dr. Natividad,

Greetings!

The Philippine Science High School – Zamboanga Peninsula Region Campus in partnership with Pinoy Reading Buddies will be conducting a workshop entitled **Design Thinking Method in Getting Students to Write their Own Stories**. It will be held on July 23, 2018 at D'Hotel Suites, Dipolog City.

This workshop aims to promote reading and writing in public Philippine schools, work with teachers in building strategies on getting the learners engaged in reading and writing, and create linkage with other schools as future partners of PRB.

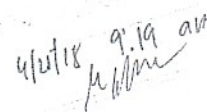

In this regard, we would like to request your approval to allow fifteen (15) grade school English and Filipino teachers from your Division to be the participants of this workshop. No registration fees will be collected and the organizers will be responsible for the meals and snacks of participants. As a counterpart, teacher-participants or their respective schools shall shoulder transportation expenses to the venue. Attached is the draft of the program as well as the credentials of resource speakers.

Hoping for your kind approval and support to this activity.

Very truly yours,

  
**LOUIE G. JAMORA, PAE, MSc**  
 Campus Director
