RELEASED

7/2018

ADVISORY

TO: Secondary School Heads

FROM: The Office of the Schools Division Superintendent

SUBJECT: Computer Literacy Enhancement Program Offered by Multi-Advance Program Services

DATE : August 7, 2018

Attached is a letter from **Maylanie N. Parica**, President, Multi-Advance Program Services (MAPS), requesting permission for the conduct of assessment survey to all secondary schools in this division.

Relative thereto, secondary school heads are advised to allow personnel from said institution who will visit schools to conduct the information drive and assessment survey to students regarding the programs which MAPS offers. They must likewise ensure that the activity schedule is properly arranged so as not to disrupt classes.

Immediate dissemination of this Advisory is mandated.

Dear Sir,

We are pleased to inform you that St. Vincent's College has commenced a partnership with (MAPS) for the promotion of enhanced Computer Literacy Program for Elementary and High School Students. The program is to introduce innovative and advanced computer education at a very low cost which will be based on our school's program of instruction.

Hence, we would like to recommend approval of Multi Advance Program (MAPS) Endorsement from your good office to allow them to conduct assessment activities in public elementary and high schools under your Division in order to determine who will be qualified to avail the program.

We are looking forward to your positive response and support in this advocacy.

Respectfully yours,

MAYLANIE NAVIDA PARICA

President
