Kindergarten Teachers**

From: **The Office of the Schools Division Superintendent**

Subject: **Kindergarten Day – A Talent Show Competition**

Date: **August 6, 2018**

1. In consonance to the **National Children's Month** celebration and in support to the department's vision to enable Filipinos to realize their full potential, the Schools Division of Zamboanga del Norte through the Curriculum Implementation Division announces the conduct of the **"Kindergarten Day, A Talent Show Competition" on October 26, 2018 at Sindangan Pilot Demonstration School, Sindangan, Zamboanga del Norte** with the theme: **"Batang Inatiman sa Katilingban, Lamdag nga Kaugmaon Hikaplagaan"**.
2. This talent show competition aims to develop or enhance the talents, skills, sportsmanship and camaraderie among kindergarten pupils and thus boost their self-esteem and morale. Furthermore, this also helps discover potential teachers and will hone their skill in teaching and coaching.
3. This is a one day talent show competition for the selected kindergarten pupils of the five clustered districts of this division. This is a competition that serves as an avenue to allow kindergarten pupils to show off their hidden talents. This competition includes choral and solo poem recitation, song solo, draw and tell, pop dance, creative folk dance, and vocal duet (2 categories: teacher - pupil or parent – pupil and pupil-pupil).
4. All enrolled kindergarteners in both public and private schools (regardless of age, culture or beliefs) are eligible to participate in this activity. A child is only allowed to participate one category. But in the case of those schools with less enrollees and their number cannot suffice the number of participants for the group category, a child can join two categories provided however that this can't cause him/her stress/pressure and that he/she can perform the desired tasks.
5. Kindergarten Talent Show Competition will first **simultaneously be conducted by the respective districts of this division on September 21, 2018**. In this level, teachers are to select **only the best performers of every category to perform during the Cluster Level Competition on October 12, 2018**. (Note: Assigning of category by district is strictly prohibited.) The same process shall also be done on that said level before a child or a group qualifies for the Division Level. The first three best performers in the division level shall be given a medal with educational toy individually while the non-winning performers shall only have an educational toy. Likewise, winning coaches shall receive a certificate of recognition and certificate of participation for the non-winning coaches.

6. Enclosed is the list of districts assigned to host the clustered district level competition and therefore are required to prepare the necessary facilities needed during the activity such as sound system, venue, awards for the winners, certificate for the coaches, stage decoration and the like.
7. In connection to this, **a conference for all district kindergarten coordinators will be conducted on August 31, 2018, 2:00 p.m. at the division office** to create different working committees, to agree on the awards for the planned activity and to discuss other related matters.
8. Travel expenses incurred by the participants, coaches, and District Kindergarten Coordinators relative to the conduct of this activity at the District, Clustered District and Division Levels shall be charged against SCHOOL MOOE while lunch and two snacks, materials and other incidental expenses on the division level shall be charged against Division MOOE/Funds subject to the usual accounting and auditing rules and regulations.
9. Widest dissemination of this memorandum to all concerned is desired.
