INTERACTIVE SCIENCE EXHIBITS

The Local Government of Villanueva, Province of Misamis Oriental, in collaboration with the Philippine Foundation for Science Technology, is featuring forty (40) unique interactive exhibits which started on August 23 and will last until September 27 at the Villanueva Gymnasium.

The exhibit aims to excite the young minds and awaken their eagerness to learn more about science, appraise their interest and appreciate how it affects and works in order to improve the quality of life in their day to day endeavour.

Participation of both public and private schools shall be on **Official Time Only** and subject to **no-disruption-of-classes policy** as stipulated in DepED Order No. 9 s. 2005 entitled *Instituting Measures to Increase Engaged Time-on-Task and Ensuring Compliance Therewith*.

Attached are the Regional Advisory and the Letter from the Municipal Mayor for ready reference.

DR. ISABELITA M. BORRES, CESO III
Regional Director
Department of Education-Region IX
Airport Road, Tiguma
Pagadian City

Dear Dr. Borres;

Greetings of peace and prosperity!

The Local Government Unit of Villanueva in collaboration with the Philippine Foundation for Science and Technology will feature forty (40) unique interactive exhibits this coming August 23 to September 27, 2018 at the Villanueva Gymnasium.

The exhibit aims to excite the young mind of students to learn more about science, apprise their interest and appreciate how it affects and works in order to improve the quality of life in their day to days endeavor. It is also anchored on the DepEd K-12 curriculum whose main objectives is to instill and enhance the basics sciences concepts and processes through effective tools and performing activities. It further allows the students to personally experience science technology discovery, interaction and manipulation with an educational yet exciting and stimulating learning exhibits in the atmosphere of fun and entertainment. Finally, it provides an effective venue of learning K-12 science program beyond the classroom.

Along this line, may we respectfully request the support of the Regional Office by allowing your elementary, junior and senior high school students to visit and witness the first ever interactive science exhibits held in the municipality of Villanueva, province of Misamis Oriental. Consequently, to cover the expenses for shipment and trucking services, maintenance and operating cost for the whole duration of the exhibits, the foundation will charge a minimum entrance fee of sixty pesos (Php 60.00) per student. The entrance fee entitles the students to witness and experience all the 40 unique and interactive exhibits.

Your wholehearted support on this kind of activity is not only significant for the realization of this science exhibits but provide your school, pupils and students more avenue to explore science education beyond the classroom through this method.

If you feel that this undertaking will help uplift the science learning process of your student in the Region, please don't hesitate to call **Ms. Jennifer D. Lagunay**, Executive Secretary of the Mayor thru mobile phone no. 09174111048 and email address jdonasco23@yahoo.com for clarifications and arrangement of your school's preferred schedules.

Thank you and God bless.

Truly Yours,

JENNIE ROSALIE T. UY
Municipal Mayor
