Subject: Conduct of 2019-2020 Special Science Program (SSP) Admission/Aptitude and Qualifying Examination for Grades One, Four and Seven Entrants

Date: May 8, 2019

1. In line with the government's policy of upgrading science and engineering education in the country, all institutions, programs and outputs in the form of science and engineering should be streamlined to produce graduates who could support the requirements of industry and impact technological and economic development.
2. To bring forth this objective into all out reality, there is a need to continuously attain higher level of quality education in the secondary schools offering S & T (ESEP/STEM) curricula.
3. However, in School Year 2017-2018, both SSES and STEM Programs were renamed into Special Science Program (SSP).
4. Science education is even further strengthened in the elementary level wherein specific guidelines were set in DepEd Order No. 51, Series of 2010. Fortunately, Sindangan Pilot Demonstration School (SPDS), Sindangan Central District was included. SPDS become one of the three (3) additional schools added to the original three schools offering Special Science Elementary Schools (SSES) Project in our region as reflected in DepEd Order No. 73, series of 2008. Since then, the number of SSESs in our division remains the same.
5. In order to promote, develop, equip the Zamboanga del Norte learners with scientific and technological skills, attitudes, creativity, positive values and lifelong learning skills for them to become productive partners in the community and society, this division is instituting **One-Town-One STEM Program** and **One-District-One SSP** as intervention to encourage learners to take science, technology, engineering and math courses as their lifetime source of living.
6. Ergo, in connection with the above-stated reasons, this division will conduct a qualifying admission/aptitude test to Grades One, Four and Seven entrants as contained in enclosure No. 1. Also, enclosed are the names of examiners assigned in both elementary and secondary schools for guidance and reference purposes.
7. Expenses relative to the conduct of the qualifying test and travel of examiners shall be charged against local funds/school funds/ESEP/SSP/MOOE subject to usual accounting and auditing rules and regulations.
8. Immediate dissemination of this memorandum is enjoined.
