Subject: National Science Clubs Summit

The Pambansang Kapisanan ng mga Kabataan Samahan ng Agham (Philippine Society of Youth Science Clubs), Inc. is annually celebrating National Science Club Month (NSCM) every September as mandated under Presidential Proclamation No. 264.

One of the activities of this year's celebration is the conduct of **National Science Clubs Summit** with the theme: "**METABOLIZE: Nourishing the Filipino youth towards National Wellbeing.**" to be held on September 7-8, 2019 at Ferndale International School, B. G. Bldg., Veterans Avenue, Zamboanga City. However, it was changed to Don Pablo Lorenzo Memorial High School, Governor Ramos Avenue, Sta. Maria, Zamboanga City.

The summit aims to:

- promote the core thrust of the organization, the public understanding of science, technology and environment;
- reach out to and provide the science clubbing experience for those who are not able to attend the other national events conducted by PSYSC;
- develop camaraderie, leadership, and enthusiasm for science in our affiliates.

Participation of secondary students and teachers in both private and public schools shall be on **Official Time Only** and subject to the no-disruption-of-classes policy as stipulated in DepEd Order No. 9, s. 2005 entitled *Instituting Measures to Increase Engaged Time-on-Task and Ensuring Compliance Therewith*

For more information, it may be inquired directly from Ms. Rosalinda Aber, Administrative Assistant or send an email to summitcore2019@gmail.com or Recca A. Lujan, Region 9 site coordinator with mobile number 0998 952 3362.
