MEMORANDUM

To : All Public Schools District Supervisors
Elementary School Principals
Master Teachers (All Subject Areas)

From : **The Office of the Schools Division Superintendent**

Subject : **ENHANCEMENT OF THE DAILY LESSON PLANS (DLPs)**

Date : August 30, 2019

- One of the thrusts of this division is the total makeover in terms of the achievement level of our learners. Mentoring of the teachers who are in the first three years of service and those with above three years experience who need assistance is one of the remedies.
- The Division Mentoring Program covers three (3) Phases such as: PHASE I (Classification Test for Master Teachers) PHASE 2 (Teacher as Facilitator) and PHASE 3 (Teacher as Mentor/Teacher as Gabay).
- The Daily Lesson Plans (DLPs) were the outputs in PHASE 2, which are now in the process of enhancement and refinement. It is expected that the objective of each lesson are stipulated in the Curriculum Guide of the K to 12 not from the PELC. The deadline for the submission of enhanced DLPs is on September 30, 2019. After everything is refined, validation of these materials will follow in October after the five-day break up to March, 2020. (Orientation on the nitty-gritty in preparation for validation will be done one week before the scheduled date, and a memorandum will be prepared for this)
- To ensure a stress-free activity in coming up with DLPs of sterling quality, the division office needs assistance from the Education Program Supervisors' highly recommended teachers. They are to assist the team of writers who initially critique the DLP drafts on August 29-30, 2019 at Mibang Hotel, Dipolog City. (refer to the enclosures for the list of selected teachers)
- The following specifications must be strictly followed in coming up with the final copy:
 - Long bond paper - Legal size
 - Font style - Times New Roman
 - Font size - 12
 - Margin - Left (1.5), Right (1), Upper (1), Lower (1)
 - Spacing between lines - 1
 - Spacing between paragraphs - 2
 - Indentation - 5 spaces from the margin
- Each of these aforementioned teachers will be the co-writers of these DLPs and are entitled to certificates of recognition. When the activities are to be done during Saturdays or Sundays, the writers must prepare Daily Time Record/s (DTRs) to be signed by the principal as proof of the services rendered and of the service credits each is entitled to.
- However, there is no need for these writers to leave their classes. They can meet at first with their team leaders for an orientation on what to do. These DLPs can be done during free time. It is also requested that these writers will be excused in some ancillary activities for them to focus on this task. Internal arrangement maybe pushed during SLAC time for the attainment of the objective of this noble act.
- All the writers/participants (all subject areas) in the LPP-Phase 2 training are directed to send the soft copies of DLPs assigned to them. It is suggested that these DLPs will be emailed to the team leaders of each subject area found in the enclosures and to the EPS of each subject area:
