MEMORANDUM

TO : Concerned Teachers
Concerned School Principals/School Heads
Education Program Supervisors
Concerned Division Personnel
This Division

FROM : Office of the Schools Division Superintendent

SUBJECT : Three (3) days Live-In Training-Workshop on Curriculum Review on Content, Pedagogy and Learning Materials with Emphasis to Increase Academic Achievement cum Financial Literacy

DATE : October 1, 2019

Republic Act 9155 in its Declaration of Policy explicitly provides that ‘...the School shall be the heart of the formal education system since it is where children learn, thus it should provide the best possible education for all learners.’ However, recently, it has been discovered that a number of non-readers figured amongst our basic education learners. Hence, a training needs assessment was conducted by the DepED Central Office, which resulted to its recommendation to the DepED Regional Office, and the latter to this Division, to conduct the abovementioned training-workshop starting at 1pm on October 8 and end at 1pm on October 11, 2019. The venue will be announced later after the proper procurement procedure. The official list of identified participants is attached.

Moreover, the DepED Central Office thru its Secretary of Education advocated for the Financial Literacy Act (RA 10922) due to the prevalent cases of teachers being victimized by unscrupulous lending institutions with usurious interest. This is another factor that affects the quality education delivered by our competent teachers in schools, since the concerned teachers become psychologically distressed by their huge debts. Thus, a Financial Literacy Program is a must in the Department of Education. The objectives of the training-workshop are as follows:

1. To improve the proficiency level of learners in all subject areas;
2. To increase the academic achievement of all learners (NAT result);
3. To resolve the issue on non-readers in DepED;
4. To transfer knowledge on Financial Literacy and demonstrate how it can affect a person’s mental health.

In addition, all identified participants are to bring Curriculum Guides, Teacher’s Guides, Learner’s Materials, Textbooks and other references, and encouraged to bring a laptop.

Further, in the event that the identified participant fails to attend the training-workshop, he/she shall make a justification letter and his/her School Head shall appoint another Teacher as replacement with the proper endorsement to be given to the CID Chief.

Finally, travel and incidental expenses of the participants shall be charged to local funds in accordance to the usual accounting and auditing rules.

For strict compliance and widest dissemination.
