FROM : Office of the Schools Division Superintendent

SUBJECT : Three (3) days Live-In Training-Workshop on Curriculum Review on Content, Pedagogy and Learning Materials with Emphasis to Increase Academic Achievement cum Anti-Cyber Bullying Law

DATE : October 9, 2019

Republic Act 9155 in its Declaration of Policy explicitly provides that '...the School shall be the heart of the formal education system since it is where children learn, thus it should provide the best possible education for all learners.' However, recently, it has been discovered that a number of non-readers figured amongst our basic education learners. Hence, a training needs assessment was conducted by the DepED Central Office, which resulted to its recommendation to the DepED Regional Office, and the latter to this Division, to conduct the abovementioned training-workshop starting at 1pm on October 15 and end at 1pm on October 18, 2019. The venue will be announced later after the proper procurement procedure. The official list of identified participants is attached.

Moreover, the DepED advocates and adopts the Anti-Cyber Bullying Law (RA 10627) mandating all elementary and secondary schools to create policies that will prevent and address all types of bullying acts in the educational institutions to protect the pupils and students from physical and psychological harm. Thus, an Anti-Cyber Bullying Program is a must in the Department of Education. The objectives of the training-workshop are as follows:

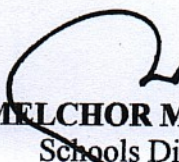

1. To craft lesson exemplars on the least learned skills in all subject areas to be introduced in the field;
2. To introduce simplified, creative and meaningful worthwhile activities in teaching least learned skills, which will eventually increase the academic achievement of all learners (NAT result);
3. To transfer knowledge on the Anti-Cyber Bullying Law and demonstrate its effects and corresponding resolution;
4. To integrate Anti-Cyber Bullying Law as a GAD issue in schools.

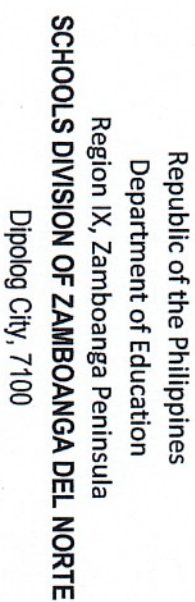

In addition, all identified participants are to bring Curriculum Guides, Teacher's Guides, Learner's Materials, Textbooks and other references, laptop (you may use your school laptop for this purpose), and extension wires.

Further, in the event that the identified participant fails to attend the training-workshop, he/she shall make a justification letter and his/her School Head shall appoint another Teacher as replacement with the proper endorsement to be given to the CID Chief.

Finally, travel and incidental expenses of the participants shall be charged to local funds in accordance to the usual accounting and auditing rules.

For strict compliance and widest dissemination.
