GUIDELINES OF THE QUIZ BOWL COMPETITION

Nature of the Quiz Bowl Competition:

The quiz bowl competition will be hosted by St. Vincent's College Incorporated CSIT and Engineering departments, as one of the highlights of its Annual CBE Days 2019 Celebration. Quiz Bowl Competition aims to promote camaraderie, sportsmanship, and integrity among SHS students. It is also an avenue for the SHS's to develop their competence on the subjects related to Information and Communication Technology (ICT). It is open to all SHS students in the Divisions of Zamboanga del Norte, Dipolog and Dapitan Cities. Each participating school is requested to send one student entry in the competition. Registration is FREE.

Participants' Qualification:

To qualify as one of the participants of the quiz bowl competition, one must adhere to the following:

- He/she should be a bonafide student of the recognized SHS he/she represents, officially endorsed by the school principal or his/her adviser.
- He/she must be of good standing in the school he/she represents and must not have any pending case, filed against him/her.
- He/she must fill up the registration form and should have it submitted a day before the scheduled date. If in case, the participant could not submit it on the day before, he/she will still be allowed to join provided that they are going to make a call to any of the contact numbers for official confirmation. The registration form is to be brought during the day of the competition.
- He/she must have to wear his/her official school uniform during the competition and should have brought with him/her their school ID for identification purposes.

MECHANICS:

1. Preparation:

- a. All cellular phones and other similar gadgets are prohibited inside the competition.
- b. References such as books, brochures, notes, as well as calculators and other computing devices, shall not be allowed during the competition.
- c. Each team shall be provided with scratch papers, pens, a marker, and an answer board.

2. Competition Proper:

- a. Topics of the quiz bowl competition will all be related to Information and Communication Technology (ICT).
- b. There shall be three rounds in the competition – Easy, Average, and Difficult rounds which consist of ten (10) questions each round.
- c. Each correct answer is worth 5, 10, and 15 points respectively.
- d. The Quiz Master shall read each question twice (2x).
- e. Teams are allowed to write down their answer in the answer sheet only after the first reading of the question.
- f. At the end of the time limit, a buzzer shall be heard and the teams are required to raise their answer sheet. Teams that fail to raise their answer sheets shall be given automatically a score of 0 (zero) for that question.
- g. All answers in the answer sheet must be written clearly. Erasures are not allowed and shall be automatically awarded a score of 0 (zero) for that question.
- h. Each team is only allowed to erase their final answer after the Quiz Master has read their answer in which scores are immediately tallied in the score board.
- i. The team who garnered the highest combined score at the end of three (3) rounds shall be declared as the Champion. Moreover, the team who garnered the second and third highest combined scores shall also be declared as the first and second runners-up, respectively.
- j. In case of a tie, a **Clincher** round shall be made to break the tie. The team who got the correct answer first shall be declared as Winner.
- k. Any team caught cheating shall be disqualified and is immediately out of the competition.

FILING OF PROTEST

1. Should there be a protest or any contest in an item within the competition proper, only the participants should raise their hands to be recognized by the Quiz Master. The committee chairman shall immediately decide whether the protest is valid or invalid. The committee chairman shall immediately determine any course of action to be taken with such protest. The decision of the committee chairman is always final and irrevocable.
2. Any protest regarding an item shall no longer be entertained at the time the Quiz Master utters the first word of the succeeding question.

Conduct of the Quiz Show:

The quiz show will be held at the SVCI Computer Laboratory 2 on January 25, 2020 at exactly 01:00 – 05:00 PM. Participants are required to appear an hour before the scheduled time.
