MESSAGE

Kudos! Alhamdulillah!

Batch 2020 is a historically enriched year as it has been embedded with many strengths-accumulating tragedies coming from natural calamities like typhoons and tsunamis; volcanic ashfalls and tremors; flood and earthquakes, where consequences extract the values of perseverance, patience, self-determination, tolerance, genuine concern for others and heroic understanding of survival and true life skills-all which form part of the vision and mission and mandate of our Department.

These adversities have tested our resilience inspite of uncertainties, desperation, inadequacies and delimitations. *Este maga adversidad ta sucede, ya proba diatun resilencia a medio del incertidumbre, desesperacion, insuficiencia, y delimitacion.*

The future is in your hands, premised on a viable realization of oneself and the learned competencies from your Alma Mater. We have high hopes in your present potentials and undertakings as we entrust the shaping of the future of Zamboanga Peninsula in your hearts, in your dreams, aspirations, career plans and choices.

You have made your choice and we, your parents and teachers support your choice. Isn't your choice, your destiny? *Ustedes ya chene hecho del opcion, y de nosotros maga mayores, maestro y maestra ta suporta kunustedes. No que di ustedes opcion, di ustedes destino?*

El mi deseo contodo que logra yo cun esfuerzo el di ustedes triunfo na vida. *Wishing you all success in life.*
