**Change of Schedule for the Virtual Validation for the Proposed Plotting to  
Address Teacher Excess and Shortage in Public Elementary Schools**

This has reference from the Division Memorandum No. 50, s. 2023 dated February 15, 2022 inviting the Public Schools District Supervisors (PSDS) for the preparation of the proposed plotting to address teacher excess and shortage in Public Elementary Schools of this Division.

Due to the mandate by the Schools Division Superintendent for the submission of the PSDS's for the updated School Form 4 (SF4) for the Public Elementary Schools to update the Teacher Analysis of the Schools Division Office, the scheduled Virtual Validation for the proposed plotting of the teacher excess and shortage will be moved.
